Oak extract

Tannins are natural compounds found in grapes and in oak barrels. They play a key role in the structure, texture, and ageing potential of spirits and wines, contributing astringency, body, and stability.

OAK EXTRACT

In wine & spirits, tannins from the wood enhance aromatic complexity, color, and mouthfeel, helping to shape balance and overall quality.

Product	Form	Use	Organoleptic Profile	Polyphenol content	Tannin content	Vanillin Content	Recommended Use
BRANDY	Liquid	Spirits	Vanilla, fresh oak wood, soft and unctuous tannins	30 g/L	100 g/L	50 mg/L	Maturation, more roundness to the aromas. Removal of harsh notes.
SWEET	Liquid	Spirits	Oak wood notes, vanilla, almond, mildness, moka	30 g/L	30 g/L	200 mg/L	Maturation, more roundness to the aromas
VF	Powder	Wine	Vanilla, coconut, soft tannins	-	650 g/kg	-	Structure and depth. Used during vinification.
VF DUO	Powder	Wine	Vanilla, coconut, soft tannins	-	650 g/kg	-	Protects white, red and rosé wine musts. It improves : Structure roundness aromatic clarity- freshness of treated wines. Used during vinification on harvests lacking maturity. Quercus robur.

OAK EXTRACT

Tannins are key natural components that shape the structure and ageing potential of wines and spirits. They contribute to mouthfeel, balance, and stability, while supporting the development of complexity over time.

Product	Form	Use	Organoleptic Profile	Polyphenol content	Tannin content	Vanillin Content	Recommended Use
VFR	Powder	Wine	Coffee, dark chocolate, spices, intense tannins	-	800 g/kg	-	Color fixation for red wines. Aromatic complexity, structure, roundness and aromatic clarity.
INTENSE	Powder	Spirits	Intense and supple tannins, sweet sensation. Coffee, dark chocolate, vanilla, coconut and spice notes	-	300 g/kg	2,000 mg/kg	Texture and aromatic intensity. Quercus petraea.
INTENSE DUO	Powder	Wine	Combination of oak tannins + yeast	-	310 g/kg	-	Texture and aromatic intensity. Fine tannins. Addition of yeast protein with high molecular weight bringing stability and mouthfeel. Quercus petraea.
BBN	Powder	Spirits	Coffee, dark chocolate, vanilla, coconut and spice notes	-	350 g/kg	2,800 mg/kg	Accelerated ageing, wood contribution. Quercus alba.

BARREL PLANTER

Add a touch of rustic charm to your space with our planter crafted from a genuine oak barrel. Both sturdy and refined, it is ideal for use as a planter, decorative storage, or water container.
